**USER SAFETY REQUIREMENTS:**

Follow-up:
- Replace bait stations if contents are consumed or contaminated.
- Sprinkle fresh bait for 10 days or until signs of rat or mouse activity cease in infested areas.
- Place the T1 Rat bait station at highest point of activity beside burrows, along a wall or in corners where rats and/or mice or their signs have been seen. If additional units are needed, place bait stations in the same areas.

**APPLICATION DIRECTIONS:**

- Determine areas where rats and/or house mice are suspected. Place T1 Rat bait stations inside the areas. Position outside bait stations near entry points or in the areas where rats are most active.
- Clean and sanitize the area to remove food sources and evidence of rodent activity.
- Place bait stations away from food or surfaces that come into direct contact with food.
- Place the T1 Rat bait station outside of buildings consistent with all use restrictions and other requirements indicated on this label.
- This bait station may be used in and around (within 50 feet of) buildings accessible to children and pets, consistent with all use restrictions and other requirements indicated on this label.

**USE RESTRICTIONS:**

- Read this entire label and follow all use directions and use restrictions.
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This product must wear gloves.
- DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH THE BAIT STATION.

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

- While wearing gloves, collect and dispose of emptied bait stations and all dead animals. To discourage reinfestation, eliminate food, water, and harborage as much as possible. If reinfestation does occur, repeat treatment.
- Mammals and birds might be poisoned if they feed upon animals that have eaten this rodenticide. For humans or animals ingesting bait and/or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizures for animals), limit and/or handling is contrary to label instructions.

**DIRECTIONS FOR USE**
