FIFRA 25(b) exempt product

Keep Out of Reach of Children

CAUTION

Net Contents: 10 lbs (4.55 kg)

Research-Based Botanical Insecticide

EcoVia G granules contain a higher level of botanical active ingredients compared to some other 25(b) granules for lower use rates while delivering quicker control and longer residual protection against a broad spectrum of crawling and flying insect pests.

DIRECTIONS FOR USE

Always read label directions and precautions prior to use.

PRECAUTIONS AND NOTICES:

- Keep out of reach of children. Avoid contact with eyes and skin. Wear protective gloves when handling. Handle in areas with adequate ventilation. If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, or if more than an incidental amount is swallowed, seek medical attention. If seeking medical treatment, have this label with you.
- If applying to indoor plantscapes, be mindful that some may find the odor objectionable and only apply in areas with adequate ventilation and at lower usage rates.
- Product may transfer oil and mark surfaces such as concrete, pavement, brick, polymer or wood. Target application to natural surfaces.
- Do not apply directly to surface water. Keep out of lakes, streams and ponds.

Rockwell Labs Ltd represents that this product is exempt from registration pursuant to FIFRA 25(b). This product is not EPA registered.

Controls / Repels: Ants, centipedes, chiggers, chinch bugs, cockroaches, crickets, earwigs, fleas, leafhoppers, mosquitoes, millipedes, mites, sowbugs/pillbugs, ticks and other insect pests in turf and landscaped areas, and around perimeters of structures.

EcoVia G should be used for outdoor applications and may also be applied to the soil in interior plantscapes. Apply using a hand-operated or power spreader or duster, shaker container or other standard granule application equipment at a rate of 1-2 lbs per 1000 sq ft. EcoVia G granules do not need to be watered in.

Exterior Perimeter Treatment: Apply in a uniform band at a rate of 1 to 2 lbs per 1000 sq ft in an area 2 to 5 feet around the foundation, including all landscaping, under bushes and shrubs, under overhanging decks, and other areas adjacent to structure. Initial treatments and severe infestations require using the higher application rate of 2 lbs per 1000 sq ft. Repeat every 4 weeks or as necessary.

Mosquito and Tick Treatment: Apply to turf, landscaped areas, ground cover vegetation and wooded areas. Target treatment to areas with heavier growth, and to the boundary between wooded areas and turf. Apply uniformly at a rate of 1 to 2 pounds per 1000 sq ft. Initial treatments and severe infestations require the higher application rate. For mosquito repellency, note wind direction and apply such that vapors travel in the intended direction. Repeat as necessary.

STORAGE & DISPOSAL

Store sealed in a cool, dry area. Avoid exposure to extreme temperatures. When bag is empty, discard in trash.

Conditions of Warranty and Limitations of Liability

IMPORTANT: READ BEFORE USE Read the entire Directions for Use, Conditions of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability. **CONDITIONS:** The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Manufacturer. All such risks shall be assumed by the user or buyer. **DISCLAIMER OF WARRANTIES:** To the extent consistent with applicable law, Manufacturer makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Manufacturer is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Manufacturer disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. **LIMITATIONS OF LIABILITY:** To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or at Manufacturer's election, the replacement of product.
