Liquid Soil Amendment

Use Instructions

Turf Maintenance

Apply 6 ounces per 1000 sq ft (2 gallons per acre) in 2 gallons of water per 1,000 sq ft (80 gallons of water per acre) every two weeks throughout the growing season. On sand based soils weekly applications are very important. Increase rates during times of stress.

Avoid Mixing with excessive phosphorus or sulfur containing materials. Always perform a bench test for compatibility.

Derived from:

Kelp, Fish tankage, Leonardite

ALSO INCLUDES NON-PLANT FOOD INGREDIENT:

Organic matter in the Kelp and Fish tankage is a source of carbon that serves as food for soil microbes. Humic acids may aid in micronutrient uptake.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>

Condition of Sale

1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. No one, other than an officer of Seller, is authorized to make warranty, guarantee or direction concerning this product.
2. Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price.

Storage Precautions

Store in manufacturer's containers when possible. If not, store in polyolefin or polyethylene storage tanks. Do not store for extended periods in mild steel and only in approved fiberglass. Although stainless steel tanks are less prone to corrosion than mild steel, they are not recommended for extended storage. Do

not use nylon fittings and valves. PVC or polypropylene valves and fittings are recommended.

CAUTION: KEEP OUT OF REACH OF CHILDREN WARNING

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat, and/or skin. Avoid contact with the eyes, skin and clothing. If swallowed: induce vomiting by sticking finger down throat. Never give anything by mouth to unconscious person. Get medical attention immediately. If in eyes, wash eyes with plenty of clear water for at least 15 minutes. Get medical attention immediately.

Keep stored above 32°F or 0°C
